DT: October 09, 2021

NOTICE

Attention: M Tech students Batch 2021

All the M Tech Students admitted in 2021, should note the following:

1. The students admitted through CCMT–2021 have to complete their M Tech Programme as a full time within a period of 2 years.
2. All the students admitted under Self sponsored category (through GATE or Institute level entrance test) have to complete their M Tech Programme as a full time within a period of 2 years.
3. Only those candidates sponsored by a Government organization under sponsored category can complete their M Tech Programme as part time; if sponsored and permitted by their employer. They have to complete the M Tech programme within a period of 3 years (6 Semesters). They have to pay the institute fee as applicable for all the 6 semesters.
4. The total number (Minimum) of credits for the completion of M Tech Programme is 60 (Sixty).
5. A full time student can take minimum of 12 and maximum of 18 credits within a semester.
6. A part time student can take minimum of 09 and maximum of 12 credits within a semester. They have to attend the classes regularly for these credits along with other students as per the time table issued by the concerned Department.

All the above is as per the M Tech statutes presently in vogue
