

Notice  
Dated: 18-08-2020

In continuation to earlier Notice dated: 08-07-2020, the Income Slab Change Committee have received applications for students of Batch ( 2017-18, 2018-19 & 2019-20) to avail for concession/ fee waiver for the year 2020-21 for their respective ensuing Autumn Semester registration.

However, due to COVID-19 Pandemic most of the students have not been able to get the latest income certificate issued by the Competent Authority. This prevents them from availing for concession / Fee Waiver for the year 2020-21.

In view of prevailing adverse conditions as one time exception, this is for information of all the students that their income slab will remain same as that of their previous semesters.

In addition to this, students whose income has changed, are advised to submit their applications alongwith requisite documents viz. income certificate, aadhaar card etc by 23rd August 2020. No income certificate shall be considered after the last date.

Additionally, all the eligible students are hereby directed to upload information and fill the Google Form on the following link:
